# NINETEENTH ANNUAL REPORT

for the Year Ended 30th September, 1938.

---

## To the Subscribers of the Hospital.

Ladies and Gentlemen,

It is with much pleasure that your Committee presents its Report on the activities of the Hospital for the year ended 30th September, 1938.

## Work.

The number of patients admitted shows a decrease of 16, due to the fact that during the period of National Emergency in September, no new patients were admitted, on instructions received.

The number of X-Ray examinations shows a steady increase each year, being 187 more than in the previous twelve months, similarly the Out-patients visits have increased from 2,814 to 2,966.

735 operations have been performed as compared with 651 last year.

## Management Committee.

Mrs. Muir Beddall, of Pinner, and Mr. A. Endicott, of Northwood, have been elected members during the year. Resignations have been received with regret from Mrs. Whitaker-Wilson, of Pinner, and Mr. W. Lavender, of Ruislip.

## Deaths.

It is with deep regret that the Committee has to report the death of three colleagues :—

Mrs. Hogg, late Chairman of the Linen Guild, who had been connected with the Hospital since the date of the association of Pinner and Northwood.

Mr. Glanfield, one of the Founders of the Hospital and a most generous donor.

Mr. R. G. Payne, who served on the House Committee.

The Committee has also to record with regret the death of Mr. J. Bright Banister, one of the Consulting Gynaecologists who had acted in that capacity since the inception of the Hospital.

## **Appointments.**

The following appointments have been made :—

Dr. Schwabacher, Consulting Pathologist.

Dr. Rowatt Brown, Medical Staff.

Mr. S. Anderson and Miss Spence, Chiropodists.

Miss Newth, Masseuse.

## **House to House Collections.**

The Committee wishes to place on record its appreciation of the work done by the following who undertook the organisation of these collections :— Miss B. Murgatroyd, Northwood; Mrs. Gordon Cummings, Pinner; Mrs. Philip, Eastcote; Mr. Cordingley, Northwood Hills; and Miss Seaton, Hatch End, and the many collectors who assisted in the work.

## **Hospitals Day.**

The gross amount collected shows an increase of £13 over 1937. Thanks are due to Mrs. Popplewell, of Northwood, and to Miss J. Levick, of Pinner, for the work done in organising this collection.

## **Pound Day.**

This is largely a children's effort and has proved most productive, both in quantity and variety of gifts. 5,551 lbs. of provisions of various kinds to the value of £142 were contributed, also £43 in cash, and the Committee would like to take this opportunity of thanking all those who contributed to this result.

## **Egg Collection.**

During April the annual appeal for fresh eggs suitable for pickling was made and, thanks to the generosity of the Schools and Churches in the district, over 6,000 eggs were received. My Committee tender their cordial thanks for this assistance.

## **Linen Guild.**

The ladies of the Linen Guild have purchased and presented to the Hospital linen and bedding to the value of £131. A considerable amount of the contributions to the Guild is obtained from the proceeds of dances, notably that given by Mrs. Lilley at Eastbury Park Hotel, and the Linen Guild Dance at the County Hall, also the Jumble Sale organised by Mrs. Cheese. The thanks of the Committee are due to Mrs. Bedford and the Members of the Mending Party of the Guild.

### **Voluntary Helpers.**

The Hospital is fortunate in having the assistance of so many voluntary helpers whose aid is much appreciated. Among these are the following :—Miss Darvell, Miss J. Levick, Miss Shellum, Mrs. Cattle and members of the British Red Cross Society Voluntary Aid Detachment No. 114, who assist the nursing staff.

Thanks are also tendered to the Consultant, Medical, Dental, Massage and Chiropodist staff and to the local Clergy of all denominations, also to the Honorary Auditors, Messrs. Mellors, Basden & Co.

### **Librarian.**

The patients have derived great benefit from the weekly attendance of Mrs. Hayes, who has now formed a most comprehensive library.

### **Nursing Staff.**

The Committee wish to place on record their appreciation of the efficient and devoted manner in which the Matron and her staff have carried out their responsible duties.

### **Legacies.**

During the year the following legacies have been gratefully received :—

Miss Florence Thompson, decd.	Balance £184 6s. 11d.
Mr. F. H. Stephens, decd., per Lloyds Bank, Ltd.	£50
Mrs. C. R. Evans, decd.	£20.

### **Publicity.**

The Committee are deeply indebted to the proprietors of the "Middlesex Advertiser and County Gazette," also the "Harrow Observer," for so readily placing the columns of their paper at the Hospital's disposal for reports of its activities.

### **Accounts.**

*Income.* Turning to the Accounts, it will be seen that the total income for the year ended 30th September, 1938 in spite of a reduction of £402 in the amount of Legacies received during the year, shows an increase of £433 over the corresponding figure last year.

The Committee are glad to be able to report an increase in the revenue from Voluntary Gifts, Subscriptions and Donations, etc., of £627. This is principally accounted for by a grant of £200 received during the year from the Harrow Urban District Council, which is gratefully acknowledged, and the Hospital's proportion of a distribu-

tion made by the Middlesex County Council in respect of Sunday Entertainments, which amounted to £269. £200 was also received from an anonymous donor for the renewal of specified theatre equipment, and this has proved most beneficial.

*Expenditure.* The total Expenditure of the Hospital, it will be observed, has increased by £995. This is principally accounted for by increases under the heading of Surgical Instruments and Appliances, Renewals and Repairs to Building and Plant, and to a general increase in Maintenance costs.

The renewals of equipment during the year included a new Sterilizer at an outlay of £300—the cost of which was specifically donated—and an “Aga” Cooker, £224, which, it is anticipated, will result in a considerable economy in fuel consumption.

The large expenditure on renewals has had the effect of unduly inflating the maintenance costs.

As it will be seen from the Statistical Tables, the average weekly cost of each in-patient has increased during the year by 13/6, and now stands at £5 11s. 11d. Of this amount 8/6 represents additional costs due to exceptional expenditure on Renewal of Equipment, stores required at the time of the National Crisis and other items of an unusual character. Special donations have been received to cover the cost of renewals to Surgical Instruments. The normal weekly costs during the year were, therefore, £5 3s. 5d., an increase of 5/- a week, of which 2/10 is attributable to increased nursing salaries due mainly to the shortage in the regular nursing staff.

*Balance Sheet.* A sum of £700 was transferred to the Extension Fund at the close of the year.

### Conclusion.

In conclusion the Committee tender their warmest thanks to all kind friends who have subscribed in the past, and sincerely hope that this support will be continued in the future.

RALPH E. WILSON,

*Chairman.*

---

The List of Subscribers and Donors, as well as the information contained in the Report, have been compiled as carefully as possible, but should any errors be discovered, the Committee would be grateful if Subscribers would write to the Secretary at the Hospital, pointing them out.
